

Luncheon for All Day Field Day Volunteers

Our volunteer luncheon will be a mere token of HUGE THANKS to those who come out and spend the day touching the lives of our children! Here's a great opportunity for parents to chip in a little where it will truly help out a lot!

If you would like to chip in for the luncheon, here are some easy to pick up things which will really help out:

- ◆ Individually wrapped chip bags (small bags they can grab and go)
- ◆ Soda/lemonade cans
- ◆ Ice Cooler the day of for the luncheon specifically
- ◆ Ice Pops (flavored ice pops in plastic for our Cox kids at activity breaks)
- ◆ Cookies or treats (individual for grab and go)
- ◆ Bubbles (for a Field Day station)

As always contributions are COMPLETELY VOLUNTARY and not expected at all! We need to have well over 100 volunteers! Though some may choose not to eat, we definitely expect the *all day* COX and Military volunteers to grab lunch from our luncheon.

WE WILL BEGIN COLLECTING LUNCHEON ITEMS AFTER SOLS. There will be a clearly labeled box on the stage in the cafeteria. Please do not send in your items until **after** May 29th.

Thanks for your support!
