 - Despite the pandemic, our board has already accomplished so much. We were thrilled to show our teachers and staff appreciation with a lunch right before school started. We got to meet so many families at in person Meet and Greets which helped membership, seagull circle and spirit sticks get kicked off. We also loved getting students reconnected to popsicle playdates. Our hospitality, spirit wear, and beautification committees also worked hard to get things rolling through the summer.
 - Moving forward board meetings will be the 3rd Thursday of each month at 9am. December's meeting will be an evening gathering.
 - Wanda Wilson created an inventory list of everything the PTA has. That list will be going out to committees so please look at the list before buying items.
 - Each committee can keep track of duties and information in the google drive. If you need access to that folder/drive, please contact Ashley Cizerle or Mackenzie McKenzie.

3. Principals' Report: Mrs. Bianchi

After school programs are going really well. The kids are excited to have these programs back.

COVID safety protocols are working. Quarantines have thus far just been kids with parents who are sick or may have been exposed, not school transmission.

PBIS - Positive Behavioral Initiative -- is underway in the school. Classrooms have a bingo board to award positive behavior. There is also an office bingo board. Teachers can also earn prizes. It's a great way to boost morale and help kids work on self-control. Next full PTA meeting we will vote to move money to this program.
